Chatham County...

NIGHTTIME CONSTRUCTION CONTINUES ON S.R. 204/ABERCORN STREET AT LARGO DRIVE IN SAVANNAH

WHAT: Contractors for Georgia DOT will be installing nighttime left turn lane closures in both directions on S.R. 204 at Largo Drive. These closures are scheduled to begin 9 p.m. until 5 a.m., Monday night through Saturday morning, weather permitting. Lane closures are utilized for the contractor to remove and replace existing curb and gutter and improve drainage in the median. Motorists should expect delays at this work zone.

WHEN: Nightly, 9 p.m. until 5 a.m., Monday, August 11 through Saturday, August 16, weather permitting.

WHERE: Intersection of S.R. 204/Abercorn Street at Largo Drive in Chatham County.

This is a WORK ZONE and extreme caution is necessary. Motorists are advised to reduce their speeds as they travel through this and all work zones. Message signs, barrels and/or cones will be utilized to alert the public of the upcoming changes. Drivers should be aware that personnel and equipment will be operating in close proximity to travel lanes.

Each day, hundreds of Georgia Department of Transportation employees and contractors work on dozens of highway, bridge and intersection improvements throughout the state. Their work often brings them and heavy machinery in close proximity to travel lanes. Fifty-seven Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in highway work zone accidents since 1973. Please help us prevent these tragedies by slowing down; being especially attentive and cautious as you pass through construction work zones; and always driving responsibly. Safer Driving; Safer Work Zones; For Everyone. For more information on Georgia DOT, please visit www.dot.ga.gov or subscribe to our Press Release [RSS feed](#).
